

rate, based on the relationship of actual or expected additional unemployed to the number of persons in the area's labor force.

(b) Where there is an actual or threatened closing of a major source of employment within 3 years after the date of the area's request provided that:

(1) The rise in unemployment must be shown to be unusual or unique for the area, the industry, and the time of year; and

(2) Such rise must have occurred or be reasonably expected to occur during a 1-year period within the qualifying span of 3 years before to 3 years after the date of the request for designation.

(c) The area's unemployment rate can reasonably be expected to exceed the national average by 50 percent or more, except for those job-loss situations in which it is public knowledge that the jobs lost were or will be of a type in such great demand that the persons laid off were or will be readily reemployable.

(d) Areas designated under this section are allowed a reasonable time after designation to submit an acceptable OEDP to EDA. An area designated under this section which does not have an approved OEDP is not eligible for financial assistance under Title I of the Act.

§ 301.6 Designation of public works impact program areas.

(a) EDA shall designate communities or neighborhoods defined without regard to political or other subdivisions or boundaries as a public works impact program (PWIP) area, when it determines one of the following conditions have been met by the defined area in its entirety.

(1) A large concentration of low income persons. This includes:

(i) An area selected for assistance under the Community Economic Development Act of 1981, as amended (42 U.S.C. 9815), Title VI, Chapter 8, Subchapter A of the Omnibus Budget Reconciliation Act of 1981 (Pub. L. 97-35); or

(ii) An area in which the majority of the families are living in poverty, as defined by the U.S. Department of Health and Human Services guidelines,

as published each year in the FEDERAL REGISTER.

(2) Rural areas having substantial outmigration. This includes an area which has experienced a minimum outmigration rate of at least 25 percent during the period from the beginning to the end of the most recent 10-year census period for which data is available.

(3) Substantial unemployment as established by an annual average unemployment rate of 8.5 percent or more during the most recent quarter for which such data is available.

(4) An actual or threatened abrupt rise of unemployment due to the closing or curtailment of a major source of employment. The area must meet the qualifications as set forth in § 301.5 (a) through (c). Although no boundary constraints, as set forth in § 301.13, shall apply, the area for which designation is sought must be one for which EDA can obtain data establishing its eligibility for designation.

(b) No PWIP area designated under this section shall be eligible to be considered a redevelopment area for the purposes of district designation.
